**RE: TRESSPASS ON THE ESTATE OF THE LATE GRACE IBINGIRA.**

Reference is made to the above matter wherein we act for and behalf of Alfred Rutasyangabo Ibingira, the administrator of the estate of the late Grace Ibingira on whose instructions we address you as follows;

The late Ibingira left several properties that form his estate, amongst them is the farm at Rutooma-Kashari (Ogwengoma) that has been managed by Alfred Rutasyangabo Ibingira our client who lives in the country, on behalf of his other co-administrators. Unfortunately, without his knowledge and/or consent a group of relatives have forcefully and unlawfully entered the said farm and are trying to put up a structure. The said property was registered and has always been registered and held by the late Grace Ibingira as a registered owner since the 1970's quietly without any claim of right from anybody, and subsequently the administrators.

This is, therefore, to file a complaint with your good office and request that you urgently intervene to stop the ongoing trespass, to avoid the violence and destruction of property that may result in this high handed act.

Awaiting your urgent action.
