The RT. Hon. Speaker
Parliament of Uganda
Kampala

Rt. Hon. Speaker,

RE: COSASE INVESTIGATION OF BANK OF UGANDA FOR FY 2017/18

As you well know, the subject committee of Parliament performed its office enquiring into Bank of Uganda's role in the closing of the defunct banks. This process culminated into a report which was tabled on the floor of parliament.

Under Parliamentary rules of procedure, the said committee does not have powers to **re-examine** its reports. To put this into perspective, COSASE had an over three (3) months interaction regarding the Bank of Uganda matter whereat it came up with observations, recommendations and is awaiting treasury memorandum for corrective actions to be taken.

It follows that the said committee is fitted to examine other institutions on its mandate that have not been examined into.

As parliament is principally your jurisdiction and as these exercises cost tax payers money and must be performed lawfully, this is to request you to prevail on the said committee not to expend state resources (money and time) on a **re-examination** which is outside its mandate.
